

Your Commitment

Discovery Process

(~1 hour of your time)

We'll determine the best approach based on your current situation - if you have your creative assets prepared and a clear vision of what you want, we can streamline this process through focused email exchanges.

- 1 Share your vision and requirements**
for your project
- 2 Engage with us to review your current materials**
and identify improvement areas (we'll lead this process)
- 3 Participate in our guided assessment**
of functionality needs and project requirements
- 4 Respond to our recommendations**
and provide feedback within 3 business days
