

Your Commitment

Discovery Process

(~1 hour of your time)

We'll determine the best approach based on your current situation - if you have your creative assets prepared and a clear vision of what you want, we can streamline this process through focused email exchanges.

Share your vision and requirements

for your project

Engage with us to review your current materials

and identify improvement areas (we'll lead this process)

Participate in our guided assessment

of functionality needs and project requirements

Respond to our recommendations

and provide feedback within 3 business days
